Visit aigadfdw.org for more info.

The AIGA Fellow Award honors senior-level members who have made a significant contribution to raising the standards of excellence in practice and conduct within their local or regional design community, as well as in their local AIGA chapter. The areas of education, writing, leadership, and reputation, as well as the practice of design, have equal consideration in measuring significant contribution. The Fellow Award is the highest honor an AIGA chapter may bestow upon one of its members.
