

AIGA DFW UX Events Chair

Minimum Tenure: 2 years

Maximum Tenure: 4 years

Mission:

Oversee the chapter's programming in the area of user experience design by crafting events and communications related to honing skills and keeping up with the ever-changing field of UX Design.

Responsibilities:

- Craft questions for the AIGA DFW community survey that help us better understand the current UX Design career related needs of our local audience
- Plan events, content, and/or programs addressing shifting UX Design practices from year to year
- Organize yearly UX Roundtables plus one additional event addressing the UX Design each year
- Maintain an updated list of UX Design leaders in our local community to serve as panelists and conversation moderators at UX Design related events
- Ensure that AIGA DFW's UX Design event objectives are aligned with AIGA national initiatives as well as our chapter's purpose statement
- Strategize connections between the local UX design industry and AIGA DFW
- Foster AIGA's presence in the community as a source for UX Design resources
- Build AIGA DFW as an outlet for UX designers to share ideas and grow in their field
- Attend most AIGA DFW events, one board meeting per month, and the annual board retreat

Skills + Traits:

- Excellent verbal and written communication skills.
- Experience managing projects and keeping a detailed follow up schedule.
- Organized and can easily multitask on a variety of projects.
- Works well remotely: resourceful, independent, self-motivated, digital team player.
- Possess cross-cultural literacy
